

# List 2 – Owed **LESS** than \$19.99

---

GSU has received a spread sheet from Viterra indicating which current and former employees are owed money as a result of the arbitration award.

Those individuals listed below, according to Viterra, are owed less than \$19.99.

- **If your name is on this list**, you should notify GSU by February 15, 2014 (in writing by email, fax, or by mail) what you wish to happen with your payment.
- **If your name does not appear on either List 1 or this List 2**, you must advise GSU by February 15, 2014, and provide documentary proof indicating why your name should be included.

Please note that former AU and AgPro Grain (MJ and Saskatoon terminals) employees are excluded as a result of the arbitrator's clarification of his award.
