2019 scholarship program

essay

GSU scholarship applicants are required to submit a two-page essay as part of the application process.

For instance, a welder needs quality steel-toed boots, a crop researcher may want access to a company vehicle, a pharmacist might want personal development opportunities, and a legal assistant may seek out regular hours of work with a benefit plan.

Knowing this, here's your essay topic:

When you think about your future employment, what are the most important items you would want included in a collective agreement or contract?
