As a norm, employees shall be entitled to two (2) consecutive days of rest each week except where schedule changes or shift rotation occur resulting in one (1) day of rest at the time of the change.

18.4 Overtime

All hours worked, either before or after regular hours of work, arrived at pursuant to this Article, shall be considered as overtime hours and shall be paid at the rate of time-and-a-half (1 ½ x) for the first three hours' worked in any one day, and double (2x) the regular rate for hours worked in excess of three hours' overtime in any one day.

When the needs of the operation require it, employees may be required to work overtime. However, all overtime is voluntary after an employee has worked twelve (12) hours in any shift or forty-eight (48) hours in any week.

Employees shall be paid for all overtime worked at the appropriate overtime rate of pay as described in this Article. However, with the agreement of the Co-operative, employees may bank their overtime worked, at the appropriate overtime rate, to be taken as paid time off work on mutual agreement between the Co-operative and the employee.

18.5 Averaging

The hours worked by employees may be averaged over four (4) weeks or a longer period provided the Union and affected employees are informed of the circumstances and terms of the proposed averaging; and, provided the affected employees approve of the averaging.

The hours worked by employees in the Assistant Manager or higher positions may be averaged over an eight (8) week period. All hours worked in excess of 320 hours in the eight (8) week period shall be deemed to be overtime work and shall be paid for or banked at the rate of one and one half times (1.5 X) the employee's regular rate of pay as directed by the employee.

18.6 Maximum and Minimum

The hours of work as stated in this Article are not to be construed as a guaranteed minimum of hours to be worked.

18.7 General/Statutory Pay for Modified Work Week Schedules

Employees working a Modified Work Week Shift Schedule or whose work is averaged over multiple weeks as described in Article 18.5 shall receive eight (8) hours pay at their regular rate in addition to overtime at the rate of one and a half times (1.5 X) their regular rate of pay for all hours worked on a general holiday. When the notice referred to above indicates that ten percent (10%) or more of the employees are negatively affected, the Co-operative and the Union agree to meet within thirty (30) days to review the opportunities and options available to employees notwithstanding that a collective agreement is in place.
