

Let's take your new tablet for a test drive on ZOOM

***This information will also be emailed to you on March 12
using the email address you used to register for Convention***

We have set up test ZOOM meetings for all participants so they can check out ZOOM and feel comfortable with the process when they join the GSU convention on March 18 and 19.

We have scheduled seven separate ZOOM test meetings over March 14, 15 and 16. Simply choose the meeting(s) of your choice, power up your tablet, click the email link we will send you and join in. Detailed information and links to join the meetings will be emailed to you on March 12.

GSU staff representative Steve Torgerson will be hosting these meetings. He will show you how user-friendly ZOOM is and he can assist you with any technical issues you may have.

Please make sure you have set up your tablet with email access and that you have downloaded ZOOM on your tablet before you attempt to join a meeting.

If you have any issues setting up your tablet or connecting to a ZOOM meeting, call or text Steve at 306.529.5925.

ZOOM Meeting Schedule

Don't be overwhelmed by all the text. We will send this information to you by email, and as long as you have set up your tablet and downloaded ZOOM, all you will need to do is click the link in the March 12 email to join the zoom meeting.
