August 16, 2022

To: All Local 1 (Viterra Country Operations) and Local 2 (Viterra Head Office) members

UPDATE #2

Since the last update GSU staff have begun to arrange and visit Viterra locations to continue to discuss and gather ideas for bargaining. As well below we have the ZOOM meeting links for any

member that wants to attend to hear how preparations are happening for bargaining and to provide their input on items for bargaining.

Gathering Input for Bargaining Proposals in Person

Your staff representatives will be stopping at all Viterra locations in August. This will be another opportunity to let your bargaining committee know what your priorities are.

If you or your Location/Sub-Local have another way that you want to arrange to share your ideas please reach out to your staff representative and they will be happy to work with you to make sure members' ideas are heard.

These meetings are to allow all members to reach out and provide their input, along with the visitations and survey.

More Information

A new FAQ document will be on the site with more information on aggregate pay and management rights.

Bargaining Website

Q: What is an aggregate salary increase?

A. In your collective agreement, your annual wage increase is attached to an “aggregate” which is another word for “on average”. Each year the company is required to issue pay increases that round-up to that aggregate, meaning that *on average* you and your co-workers will receive pay increases that equal X% across the company.
