

# GSU Members who crossed our Picket line

Picket Captain: \_\_\_\_\_

Location or Sub-Local: \_\_\_\_\_

WHO CROSSED THE PICKET LINE	DATE	DETAILS

NOTES:

Instructions on how to fill out expense form are on the back  
Keep this original form in your Picket Captain binder.

## Reporting members who cross picket line

If a member crosses the picket line, either physically or working online, we need to record them so we know who participated in the strike and who crossed the line.

1. Any members who knows of a members who has crossed our picket line physically or by working online from home, should tell their Picket Captain.
2. Once a Picket Captain knows of a member who crossed, or is continuing to cross, the picket line they will record it on the tracking sheet.
3. The Picket Captain should add as much detail as they have. If someone crosses the picket line and continues to each day, it only needs to be recorded once and the first date with a note like "began to cross the picket line."
