essay

GSU scholarship applicants are required to submit a two-page essay as part of the application process.

Here's your essay topic:

In 1936, the Grain and General Services Union (GSU) was founded on the belief that workers are stronger together than alone. As we celebrate our 90th Anniversary in 2026, we are looking back on nearly a century of protecting workers in Western Canada and looking ahead to the future of labour.

- Why is collective representation still important for new workers entering the workforce?
- How can the lessons of workers from our past help the next generation (for example, face a changing workforce, economy, or AI)?
